Adornments on clothing or headwear will not advertise drugs or alcohol or contain offensive material as deemed inappropriate by the meet director or tournament manager. Participants must be appropriately attired during play or they will be disqualified.

The meet director has the right to waive the uniform rule due to inclement weather; however, each participant must be dressed appropriately during all competition.

- (4) Golf shall be divided into four classifications: Class AA, Class A, Class B and Class C. Golf for Classes AA and A is in the fall; golf for Classes B and C is in the spring.
- (5) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any match can be played. No individual shall play in any association golf contest until he/she has a minimum of **three (3)** days of practice of at least one practice session per day on **three (3)** different days (no practice permitted on Sunday) prior to the date of the first allowable game.

If a student begins his/her **three** days of required practices and that period of days is interrupted by sickness, injury or academic ineligibility for a period of two weeks, then the student shall be required to practice an additional **two (2)** days and to produce a doctor's release.

Athletes participating on teams competing in MHSA post season play, which overlaps the beginning of the next MHSA sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

- (10) MHSA Golf Cart Policy for Participants - Except as required by applicable law, participants may not use golf carts in MHSA golf events. The MHSA will evaluate, on a case-by-case basis, any request to use a golf cart in MHSA golf events due to a claimed disability. In order for the MHSA to evaluate such requests, the student must submit medical documentation regarding the exact nature of the disability and how that disability prevents the student from walking during a round. In addition, the student must complete the MHSA Golf Cart Application. An exemption is valid for one calendar year; the medical information and MHSA Golf Cart Application must be submitted each year an exemption is sought.

Please note that requests due to "temporary" injuries or impairments that do not qualify as a "disability" under the ADA will not be granted. A disability protected by the ADA is "a physical or mental impairment that substantially limits one or more of the major life activities of such individual."

- (11) No spectators/fans are allowed on the course except for certain locations as designated by the tournament manager and club professional.

INTERPRETATION

- (12) No Caddies may be used. Automotive transportation can only be used if the golfer is approved by the MHSA Executive Director by meeting the criteria of the MHSA Cart Policy. Pull carts are legal.
- (13) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any match or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered into the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament with the

specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

II – GENERAL RULES FOR POST SEASON GOLF MEETS

- (1) Four state golf meets will be held — one for Class AA, one for Class A, one for Class B and one for Class C. The Class B & C meets will be held one week prior to the state track and field meets and the Class AA & A meets will be held in the fall.
- (2) For Classes AA, A and B, schools may enter up to five individuals to constitute their team. The four individual boys with the low score each day will determine the boys' team score and the four individual girls with the low score each day will determine the girls' team score. A school may choose to enter only four boys or four girls.
- (3) For Class C, schools may enter up to four individuals to constitute their team. The three individual boys with the low score each day will determine the boys' team score and the three individual girls with the low score each day will determine the girls' team score. A school may choose to enter only three boys or three girls.
- (4) Tie breaking procedure:
 - A. The hole or holes to be used for the individual and team competitions will be selected by the tournament manager or committee.
 - B. If a competitor is involved in both playoffs, the competitor will play in each playoff separately. The playoff for the individual competition is not to be played concurrently with the team competition. The playoff for the individual competition will occur first, if a competitor is involved in both playoffs.
 - C. A tie for the individual competition (for first place only) shall be decided immediately by a hole-by-hole playoff. Procedure for breaking individual ties:
 - 1. All competitors tied for first place, individual competition, will play together. The order of play will be determined by lot.
 - 2. All players tying for low score for the hole will complete a second hole or subsequent holes until a competitor wins. A player will not continue in the playoff unless the low score of the hole is obtained.
 - 3. A first place individual competitor will be determined. All other competitors involved in the playoff will be tied for second, regardless of what hole they were eliminated from the playoff.
 - D. A tie for team competition (for first place only at State and all places at the divisional tournaments) shall be decided immediately with a hole-by-hole playoff. At the state tournament, only first place team ties are broken. For example 2 teams could receive a 2nd place trophy, 3 teams a third place trophy. At the divisional tournaments, all team ties must be broken to determine which teams will advance to state and which teams will be awarded the appropriate trophy. Procedure for breaking team ties:

1. In Classes AA, A and B, each team in the playoff will be represented by five players on the team. The four best scores of the players in the playoff will be used for the team score.
 2. In Class C, each team in the playoff will be represented by four players on the team. The three best scores of the players in the playoff will be used for the team score.
 3. All teams tied for first place, team competition, will play together (See Divisional exceptions in Sections IV and IV). The order of play will be determined by lot.
 4. On the first hole, the team will determine their own order of play. The order of play thereafter will be individual stroke play.
 5. When balls are in play, the ball farthest from the hole shall be played first. If two or more balls are equidistant from the hole, the ball to be played first should be decided by lot. Balls belonging to the same team may not be played in the order the team considers best.
 6. The competitor with the lowest score at a hole shall have the honor at the next teeing ground. The competitor with the second lowest score shall play next and so on. If two or more competitors have the same score at a hole, they shall play from the next teeing ground in the order as at the previous teeing ground. The order at the next teeing ground may not be played in the order the team considers best.
 7. All teams tying for low score for the hole will complete a second hole or subsequent holes until a team wins. A team will not continue in the playoff unless the low score for the hole is obtained and a first place team will be determined. The remaining teams involved in the playoff will be tied for second, regardless of what hole they were eliminated from the playoff.
- (5) Golfers for the same team may be allowed to play in the same group on the second day of the state tournament. In a foursome only two golfers from the same team may be in that group. In a five-some, three players from the same team may be in that group.
 - (6) The host club pro or their designee will be the sole judge on rule interpretations. Situations brought to the judge will not include team or individual names so the ruling can be as objective as possible.
 - (7) The meet manager shall appoint a person(s), as designated per classification, to walk with each group (scorers) to verify scores of every individual in the group. It is recommended that scorers not be students or student-athletes.
 - (8) After completion of the round, the competitor should check his/her score for each hole and settle any doubtful points with the tournament committee. He/she shall ensure that the marker has signed the card, countersign the card, and return it to the committee as soon as possible. The scorecard shall be considered returned when it is placed in the card box.
 - (9) Each state meet shall consist of 36 holes of medal play per player.
 - (10) Because of injury, illness or other emergency situations, one boy or one girl, who was named as an alternate before the start of competition, may be used as a substitute before the round begins either day of competition. The substitute will not be eligible for an individual award. The player for whom the substitute played will not be eligible for an individual award. Their scores shall count toward team scores.
 - (11) Disqualification:
 - A. The committee may impose a penalty for unsporting behavior (i.e. use of inappropriate language, club throwing, or other disruptive behavior). Penalty for

unsporting conduct, two strokes, for repeated or a serious breach of player conduct, disqualification.

B. A player disqualified under the Rules of Golf of the United States Golf Association will be permitted to play in subsequent rounds of the tournament. The player's score shall be eligible for the team score in subsequent rounds. The player will not be eligible for the individual competition.

C. A player will not be permitted to play in subsequent rounds of the tournament or have a score eligible for the team score if the player is disqualified for player misconduct.

- (12) The state tournament golf course shall not be made available for practice purposes for any tournament team member during the days when the tournament is in progress (other than the practice round and the use of practice facilities) or at any time during the seven-day period immediately preceding the opening of the tournament, except when the site is a team's home course.
