OLD BUSINESS

6th Grade Football

Drea O'Donnell started the discussion with budget information. There is currently \$29,000.00 in the athletic budget and so far this school year we have spent \$24,000.00 on officials alone. There is currently \$1,600.00 in the Middle School Football fundraising account and \$1,700.00 in the High School Football fundraising account. Equipment, jerseys, etc. must be purchased out of the athletic budget, not the individual fundraising accounts.

Josh Casares, the Head High School Football Coach, provided his opinion on adding 6th graders to the Middle School program. One concern Josh has is that there are not many schools in our area who do allow 6th graders to play in Middle School. This could potentially mean our 6th graders would be competing against much bigger 8th graders. Josh does not believe 6th graders can safely compete against 8th graders. Realistically, this is not something the budget can currently support, especially if every child who is currently playing with Yellowstone Youth Football decided to come play at the Middle School. He believes this is something that could definitely be looked at in the future, however he would like to see it given more time in order to fundraise and have a more definite number of kids committed to play.

Whitney Knaff, a parent, spoke in support of adding 6th graders. The Shepherd Middle School wrestling season overlaps with the Yellowstone Youth Football season by about 3 weeks. By opening up 6th graders to participate in the Middle School program, students could participate in both sports as the seasons would not overlap.

An Elementary motion was made by Julie Hinkle, seconded by Jeff Branson, to approve Middle School 6th Grade Football, pending fundraising.

The motion passed with four “yes” votes – Julie Hinkle, Jeff Branson, Shane Flowers and Carl Openshaw, and one “no” vote – Shane Rekdal.
